DESKTOP PUBLISHER/GRAPHIC DESIGNER

JOB SUMMARY

As a Desktop Publisher / Graphic Designer, you will play a crucial role in the layout and visualization of board games, packaging design, marketing materials, and other visual assets. You will utilize Adobe software to adapt existing visuals, rulebooks, cards, and boards. Your attention to detail, graphic design proficiency, and skills in typography, layout, color, and photo editing will enhance visually appealing and technically sound materials. We are looking for a candidate with a passion for design and an affinity for our products.

RESPONSIBILITIES

- Perform **layout & visualization** of board games using Adobe software
- **Adapt** existing visuals, rulebooks, cards, ...
- **Handle layout and print preparation** for packaging, assignment booklets, leaflets, catalogues, point of sale materials, and online marketing assets
- **Collaborate** with internal teams to ensure visual assets align with brand guidelines and marketing objectives

REQUIREMENTS

- **Prior graphic design experience** is required
- **Proficiency in Adobe** software. Willingness to learn and adapt to new tools as needed.
- Knowledge of typography, layout, colour, ...
- **French and/or Dutch + English**
- Strong **eye for detail, organizational** and **time management** skills
- **Passion** for board games, and related products, particularly Intrafin Games is a plus
- **Live near office** in Zaventem (max +/-25km)

APPLY

Please submit your **updated resume, cover letter and a portfolio** showcasing your relevant design work and language proficiency by sending an email to
